

***That's How, I Feel* by Joseph D. Smith**

I still, have the love,
That I, feel for you.
That's how, I feel,
That floaty, feeling,
But now, what do I do?

Maybe, someday,
I will, be with with you baby.
Why don't, we wanna live
Beyond, our wildest dreams?
Do you know what I mean?

Baby I love you,
So much, I have forever!
I've seen the love,
I've seen your face,
All over in my mind!
Baby, I love you!

I still, remember,
That time we met.
What all, do you know,
About this man
you see before you?

What do, you feel?
I just want to know.
What will, it take,
To be, in your arms?
I want a hug baby.

Baby I love you,
So much, I have forever!
I've seen the love,
I've seen your face,
All over in my mind!
Baby, I love you!

Baby, I love you,
So much, I have forever.
I've seen, the love,
I've seen, your face,
All over in my mind.
Baby, I love you!

Baby; I love you.
